

Welcome to #DestinationZero

Pitch your climate innovation to us and you could receive funding and coaching to bring your idea to life.

Apply by 14 February 2021

#DestinationZero is an innovation challenge for people aged 18 to 35 who want to make a difference in addressing climate change.

We're looking for ideas that will help communities to tackle climate change negative impacts and get closer to zero carbon emissions.

**COP26 may
be in November,
but the
climate change
conversation
can't wait**

You'll receive:

- 10 Successful candidates will receive £5,000 financial support for each winning innovation by the end of March 2021
- Coaching sessions between April - August 2021
- The chance to showcase your innovation in November to global audiences via our channels, and potentially at COP26
